

**Directions to the Mustard Seed**

**IH-10 to the first Sulpher exit. Go left under the interstate. This is Ruth street. Go through town (this street splits, and changes names to Hunnington.) We don't have the address for the Mustard Seed, so use the same address for the Methodist Church (for GPS users), which is 404 South Hunnington. You take the street on the right just past the church, if you look to the left after that turn, your looking at the Mustard Seed. Its an old white house, with parking in the back.**
