Happy Scrappers

Last month there were no notes passed along to me from the meeting. I missed you guys, but Keith and I had a lovely time in the hill country. On to Bee Business.

1. Location for this months meeting (Aug 14). Beaumont Art League, 2675 Gulf Street Beaumont Texas. 409-833-4179. Since im not from Beaumont, I pulled up a map on Map Quest. It looks like this street it one block past MLK. Take exit 854 and go north. I will try to get their early so you can call me if you have any problems. Nishie, Barbara Loden, and Sylvia are hosting this months meeting. They are providing desserts, drinks and eating supplies. Im not sure if there is a microwave. Perhaps thats why they suggested we bring salads. They told Nishie that there is room for us to sew. So bring your machines.

2. Working on your projects that are due in Sept., Brown bag projects and Row Quilts? I kinda like them being due so late in the year. Gives us time to work on them.

3. I have no updates on Sylvia, perhaps Gayle will be at the meeting and can clue us in.
