Happy Scrappers

HO HO HO, HOLY HECK its already here. I say this every year, but man oh man this one crept up on me. I hope everyone is well. Many of the Scrapper Family is having family members with illness, and Guild members are also having issues. Keep them all in your thoughts. Mickey and Joyce thank you for hosting last month, it was fun to see everyone and the soups were AWESOME. On to bee business.

1. The Meeting is December 18<sup>th</sup> , Saturday at 11 am. This months meeting will be the X-Mas party at Carol Taylors.

15360 Grace Circle North Beaumont Texas, 77705. From Beaumont: Major Drive and I10. Continue south on Major Dr to 124 (Fannett Hwy). Across 124, it becomes Frint Rd. Take Frint to the stop sign, turn right onto LaBelle. Take LaBelle all the way to Hwy 73 (It dead ends there). Watch your speed, LaBelle is 50 mph and the Sheriff's Dept patrols it. At 73, turn left and go about 2 miles. You will see a sign that says Taylor Landing, and right behind it a sign that says Country Club Road, turn left and go all the way to the golf course. Resist the urge to follow the road to the left. Go into the golf course and turn right. Follow this road around the golf course to the first house. There is a street just as you get to this house. Turn right, go across the bridge, turn left and I am at the end of the cul de sac, the plantation style house with the "Gator Watch" on top.

From Port Arthur: On Hwy 73, from the Port Arthur City Limit sign/Taylor Bayou bridge, it is right at 6 miles. See a sign that says Taylor Landing and right behind it a sign that says Country Club Road. Turn right and follow the instructions above.

From Mid-county: You can take 365 to LaBelle. Turn left onto LaBelle and follow the instructions from Beaumont.

Any questions call me at 409-796-1687 (house) or 409-658-8391 (cell).
