Happy Scrappers

Well, wasn't it fun at Tammie's new house. Such an exciting time getting a new house, and decorating it. Thank you Tammie for having us all there. I enjoy going to members homes. We have a great group. The proof is in the PUDDING, we had 22 people there. That's a large turn out for a home meeting. Thank you ladies for allowing me to be a part of it. Now on to Business.

1. This months meeting will be at the Miller Library. (Directions on website). 10-2. Bring a dish to share with all. Hosted by Cathy, Ruby and Sue (do I have it right this time? (Laughing)).

2. Due this month is the Row quilt.

3. I still need permission for medical releases from Beverly, Jenny, Deb, Joyce and Mickie. Just send me a quick email saying yes or no to my being able to release information to the guild and/or scrappers on you or your family medical situations.
