Happy Scrappers

The new year brings our Scrapper family some sadness. Laura Stelly lost her daughter to cancer, and Barbara Loden lost her husband to a long illness. I hope you both can feel the Scrappers arms holding you close to our hearts. Know that you are both (along with your family) in our thoughts. Pat, thank you for having us in your home. The gumbo was wonderful. Thanks to Pat, Ann, Carolyn and Barbara W. For hosting last month. The food was Fabulous. I will try to get that fruit salad on the web site. Thanks again Yall.

1. This months meeting will be held at the Miller Library in Beaumont. 10 am -3. Bring a covered dish to share. Remember that there is no microwave. Hosted by Lydia and Dawn.

2. Dues are due at this time. \$10.00

3. Due at this meeting (if you choose to participate) are the Row Quilt (hosted by Joyce Saia).

4. Also due this month is the UFO project. This project will cost you \$20.00 to participate. If you complete your Goals at the end of the year, you will get your check back. Please make your check out to Carolyn Slack. If you do not accomplish your goals that you set (for yourself) your \$20 will be contributed to a Charitable Organization (to be chosen at the end of the year). So this month you must bring the project goal that you are setting for yourself so that Carolyn can either take a pic or document. Your goal can be a diff goal each month. But set your goals realistically. Please call Carolyn with any questions. **THIS WILL BE FUN.**

5. The decision was made to re-open the At-Large Grouping. This group will hold **ONLY** the Scrappers that are out of towners. At this time Jenny Hynes and Deb Lybarger are in this group. You girls keep getting shuffled around don't ya. The shuffling around has created 2 openings which was the purpose. So at this time help me welcome Winnie Fondren after 2 long years wait. Her information will be added to the roster and it will be in your email as an attachment. (Also other corrections have been made). The next person on the waiting list is a

friend of Ruby's, Gloria Dryer. Hopefully she will be at this month's meeting so that we can all meet her. I will get her information and add it to the roster. Gloria, and Winnie, I will have packets for you at the meeting.

6. Recap of the projects

- A. Due Feb- Special project hosted by Sylvia
- B. Due Feb- UFO project hosted by Carolyn
