Happy Scrappers

Carolyn, I love when you host the meeting. It's just so comfortable. Thank you as well, for the demo that you gave us. Learn something new every day. It was great food with a great bunch of women in a great location. Thanks again. This month's meeting will be at Becky Bridges home in Beaumont at 10:00 am. She is making Chicken Enchiladas. Please bring food to share that will go with this.

1. The auction quilt is moving forward. It's from the book Rotary Cutting Revolution. Self Mitered Log Cabins. I have handed off the papers to Carolyn have Pat make the copies for us. I ordered this book for those that were interested. Helen and Tammie I still have yours.
2. Most of the aprons have been picked up. There are a few left if you haven't yet bought one. Price is \$14.35.
3. Don't forget that we have to have pictures of our quilts to enter in October. I hope that everyone is further along than I am.
4. Carol Taylor will have her exchange at the August meeting. She will be with her Mom when we have our meeting.
5. Carolyn's Scrap Blocks are due in July.

SHORT AND SWEET (but I feel like I'm leaving something out.)
