Happy Scrappers

Thank you Carol and Dawn for hosting last months meeting. It was a fun day to visit with our sister quilters. This months meeting will be hosted by JoAnn, Angel, Linda Johnson and Laurell. The location is Laurell's Church. First Baptist Church. The directions I give you is for her house. She lives behind the church. Time is 10 am. This is a work day, we can bring our machines. They will provide soups and are asking us to bring salads and dessert.

I'd like to personally thank everyone that donated a quilt, their time and effort to the Auction. It was a huge success. Dawn I know you were worried, but you did a wonderful job. GOOD GOING YALL.

1. Carol Taylor that the happy scrappers fund is at 372.59.
2. Mickey Trinkles project has been tabled until she returns.
3. The Santa quilt that the happy scrappers made for the auction brought a 975.00 bid at the auction Saturday. The dress maker quilt that we made brought in a 850.00 bid. I'd say that the Happy scrappers did their part. Not to mention the quilts that other members of our bee donated. GOOD JOB girls.
4. I know this is not a happy scrapper retreat, but I am now taking checks for Lakeview.
