Happy Scrappers

Thank You Becky and Gayle for hosting last month. As always, I love going into member homes. Becky's house was so comfortable and the food this meeting was outstanding. Might have to do with that drink Becky served us. HA. On to bee business. This months meeting will be at Laurel's Church in Sulphur. There will be a separate attachment with directions. I will not be at this meeting. Becky Bridges will have foundation papers for the auction quilt if you have not gotten yours yet.

1. Carolyn handed out the paper foundations for the blocks we are doing for the Auction quilt. I have one book left if anyone is interested. Its cost is \$24. I have extra papers if you need them. (see Becky Bridges). These blocks are due at this meeting or the September meeting at the latest. Please turn in to Carolyn Slack. Remember that she did not want you to do the final trimming. (as per her email sent out).
2. Carol Taylor will have her exchange blocks to turn back over to us. Carol please give Lydia a list of those that participated in this exchange.
3. Ann Bean and Pat I have not ordered your foundation papers yet. I have to have a minimum to place that order. Thank you for being patient with me.
4. Due this month are Carolyn Slacks scrap blocks.
5. Due next month are Crow's nest. (Carol Taylor)
6. Due October is Charmed I'm sure. (Mickey Trinkle)

I will not be at this months meeting. On Saturday I will be headed to Destin Florida with my grand babies and the family. I look forward to spending a week with them on the beach. For the meeting, No discussion needed as far as I know, other than I need to know when, where and what food we need to bring for the next meeting. Laura, Sue and Ruby if one of you would email that information to me and announce to the meeting please, I would certainly appreciate it.
