Happy Scrappers

It was a good retreat. I was happy that we had a few people there that were questionable. Lynne, Carolyn Slack and Sherrie Locicerro showed up. All there were iffy. And as always it was nice to see Deb and Hugh. We didn't get to see them at last years retreat. So all in all it was WONDERFUL being with my everyone. Now on to bee business. This months meeting will be Saturday, May 10<sup>th</sup> at the Groves Library. 9:30-2:30 . Hosted by Gayle, Shelly and Joan. Pot luck lunch. Please bring a dish to share.

1. The Scrapper website now has projects and exchanges listed. For the people that do not have internet, I am listing which is which.
