Happy Scrappers

Enjoyed having ya'll last month. The sangria was delish. Keith and I finished it off. Sorry it was so strong. This months meeting is hosted by Sylvia and Cathy at the Theodore Johns Library in Beaumont. 4255 Fannett Road. 9-1:30. It will be a sew day, so bring a project and or machine. Bring a salad to share. Keep in mind there is no microwave or fridge. (also no stove). No projects due this month. Carolyn Slack has been released from hospital. I've sent out updates as I received them. It would seem that sometimes an email is deleted from my group list. The only way I know this happens is if you tell me. I assure you, that I do NOT physically do this myself. Would seem gt.rr.co. Is the sever that it happens with.

1. Welcome Linda Ainsworth to the group. Shelly sent out an updated roster last week. Thank you Shelly.
