Happy Scrappers

Summer is here, I am already looking forward to fall. Lol. This months meeting is June 14th, in Crystal Beach. The meeting is hosted by Linda T, Jane and Winnie. Linda t, is providing a Brisket. Please bring a dish to share. 10Am – 3. Some of us will be working on a Kit that Shelly is donating for the auction. Please bring your machine or iron. Several of you offered to bring your Go-cutters. Shelly is concerned if we use the go-cutters, because they provided a very accurate amount of fabric. So we may have to cut by hand with rotary cutters. We will try to prepare some of the applique, so bring scissors. I don't think it will take all of us to work on this, so I suggest that you bring your own projects as well. Linda says the room is perfect for sewing.

1. Laura, isn't your project due this month?
