Happy Scrappers

This months meeting is November 14 (10-2). I will not be there, my granddaughters birthday party is that day. Some one please take notes if you discuss something important. It will be hosted by Dawn and Lydia, please bring a dish to share. Location is the John J French Room. This newsletter is early because I will be out of town this wed-Mon.

1. Due this month are the Hanover Stars hosted by Helen.
2. Carolyn Slacks 6 inch square color this month is Black & White.
3. Here is something to chew on. What do yall think about us doing NO PROJECTS/EXCHANGES next year. Instead, what if we tried to finish something that we have exchanged in the past? I think I have 11 Scrappers Block Exchanges that I have done nothing with. What a great idea. YEA PJ, LETS DO THAT . Lol. I said something about this at the Palestine Retreat and I heard some positive things. Discuss and let me know. You would be required to FINISH one or two completely. That means quilted and bound.

Piece-fully Yours
