

December 2019

Happy Scrappers

what a great party. Enjoyed everything about it. Good location Becky and Shelly. On to business. January meeting will be hosted by Carolyn Slack, Pat and Ann at Carolyn's home. 10:30 (ish)

1. No projects due at end of 2020. Although there might be project people want to suggest (we already have three). **BUT YOU ARE NOT OBLIGATED TO PARTICIPATE.** I would like to suggest us doing another Blooming nine patch. If you made one in 2005, please bring it this month. Will be fun to see them. Mine is gorgeous as long as u don't look at the center. So Id like to try again. No pressure. We would show them in December 2020, quilted or not. If you will not be at the meeting in January, and would like to participate please let me know so I can buy enough fabric.
2. If the group wants to do the Secret Sister for Christmas, some one needs to come forward to organize it. Just let me know if y'all want to do it again this year.
3. Please look at months below and find your hosting month. Several yet to fill.
4. **NO DUES THIS YEAR.** We have enough money (we think) to carry us for the year. May revisit this at the end of the year.
