

January 2020
Happy Scrappers

We will meet at First Baptist Church in Port Neches at 10:30 until 2. The lighting is good so bring some hand work.

We are having taco soup. Bring a side or dessert. See you there !!!

From Syl ...

I have not gone wild – I am enthusiastically working away on projects.

In the past I have asked folks to bring something from their work room/shopping excursions --- that once you got home and really looked at it you wondered "WHAT WAS I THINKING?????"

You are welcome to bring yours but you will be shocked by what I bring.

As promised, a wonderful prize awaits – -and it won't be my 'what was I thinking' item.

Sherry is making Taco Soup and I am making hummus and a Sicilian Love Cake (gluten free) as birthday cake for someone who just had a grand-daughter named Norah ... no candles but it is chocolate with no strawberries.

See you all on Saturday
