

Mystery Quilt

Clue 4:

Assembly of the quilt top begins.

1. To make row 1, sew four A blocks and three B blocks together, alternating them as shown. Press the seam allowances toward the B blocks. Make four of row 1. See example:

Make 4.

2. To make row 2. Sew four B blocks and three A blocks together. Alternating them as shown. Press the seam allowances toward the B blocks. Make four of row 2. See example:

Make 4.

3. Sew the rows together, starting with row 1 alternating the rows. Press the allowances in one direction.
